Under Dutch law, the General Meeting is, in principle, the corporate body authorized to annually appoint the external independent auditor for the audit of the Company's annual accounts. 6. **Discussion of the Company's dividend and reservation policy** (*discussion item*)

The Company has never paid or declared any cash dividends on its shares, and the Company does not anticipate paying any cash dividends on its shares in the foreseeable future. The Company intends to retain available funds and future earnings to fund the development and expansion of its business. Under Dutch law, the Company may only pay dividends to the extent its shareholders' equity (*eigen vermogen*) exceeds the sum of the Company's paid-up and called-up share capital plus the reserves required to be maintained by Dutch law or by the Company's articles of association (if any). Subject to such restrictions, any future determination to pay dividends will be at the discretion of the Company's board (the "**Board**") and will depend upon a number of factors, including the Company's results of operations, financial condition, future prospects, contractual restrictions, restrictions imposed by applicable law and other factors the

Board deem relevant. If and when the Company does intend to distribute a dividend, such dividend may be distributed in the form of cash only or shares only, through a combination of the foregoing (cash and shares) or through a choice dividend (cash or shares), in each case subject to applicable law.

7. Extension of authorization for the Board to acquire ordinary shares and depository receipts for ordinary shares in the Company's capital (*voting item*)

The General Meeting has (i) authorized the Board, for a period of 18 months following 29 June 2022, to resolve for the Company to acquire fully paid-up ordinary shares in the Company's capital (and depository receipts for such ordinary shares), by any means, including through derivative products, purchases on a stock exchange, private purchases, block trades, or otherwise, for a price which is higher than nil and does not exceed 110% of the average market price of the Company's ordinary shares on the Nasdaq Stock Market (such average market price being the average of the closing prices on each of the five consecutive trading days preceding the date the acquisition is agreed upon by the Company), up to 10% of the Company's issued share capital (determined as at the close of business on 29 June 2022) and/or (ii) has authorized the Board, for a period ending 18 months following 29 June 2022, to resolve for the Company to acquire fully paid-up preferred shares (and depository receipts for such preferred shares) in the Company's issued share capital, by any means, including through derivative products, purchases on a stock exchange, private purchases, block trades, or otherwise, for a price which is higher than nil and does not exceed the nominal value of the preferred shares concerned.

It is proposed that these authorizations under (i) and (ii) be renewed for a period of, an effectively extended to expire, 18 months following the date of this AGM, provided that the authorization referred to under (i) shall be limited to 10% of the Company's issued share capital determined as at the close of business on the date of the AGM. If the resolution proposed under this agenda item 7. is passed, the proposed authorizations shall replace the currently existing authorizations.
